25th April 2022,

Dear Valued Customer,

This is a notice that there will be an increase in our prices to take effect on 1st June 2022.

Since our last price increase in 2016, we have seen ever-increasing costs for all raw materials and overheads that have affected the cost of providing our products to our customers.

Please be assured that Ramsaran's Dairy Products has made every effort to keep this increase to a minimum and will continue to honor current prices until the 31st May 2022.

We thank you for your support and continued business.

Our revised prices, effective 1st June 2022 will be as follows:
